

enviroment_node_create

```
graph LR; A[enviroment_node_create] --> B[environment_node_from_entry]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'enviroment_node_create'. The right box is white and contains the text 'environment_node_from_entry' on two lines. A dark blue arrow points from the right side of the left box to the left side of the right box.
